

Conditions for International Championships WMF and EMF

Update 060625

Courses

The organizer needs a minigolf facility with 2 x 18 lanes, preferable from 2 different minigolf systems. The lanes have basically to fulfil the regulations of WMF.

Courses should not be too easy to play, so that they are selective enough for a World Championship.

Course approval

The final course approval will be done during personal visit of the responsible sport officer in autumn one year before the Championship to work for some detailed changes if necessary.

Tournament

To organize a European or a World Championship includes to organize also a Nations Cup in the same year at Whitsuntide at the location.

Checklist

The organizer has to fulfil the duties and responsibilities of the detailed checklist, which can be ordered from interested candidates. The checklist is as well a help for an overview for prospective candidates.

Media rights

The WMF media manager has to be informed about all correspondence with media. All contracts by the organization needs the prior approval of EMF/WMF board. The EMF/WMF also has the right to enter into agreements regarding the Championships and the Nations Cups.

Marketing

Regarding the contracts of WMF with supporter companies the organizer has to perform for the European and World Minigolf Championships the following to EMF/WMF

- Official logo of tournament is available for all WMF gold sponsors only to same conditions (income stays at organizer)
- EMF/WMF is entitled to use the official logo of tournament without a fee; any income is forwarded to the organizer
- VIP-status of two persons per gold sponsor during opening and closing ceremonies; free entrance, reserved table.
- logo of the supporters on invitation forms, result lists
- logo of the supporters on free EMF/WMF advertising page in championship program
- logo of the supporters on sponsor wall
- sponsor wall present at press conference and ceremonies
- The fee for renting space for equipment sellers should be 500 Euro per event of men and women and 300 Euro per event of juniors and seniors.
Permanent WMF sponsors are contacted by WMF office (50% of the fees are transferred to the organizer / 50% stays at EMF/WMF)
Local sponsors are acquired by the organizer (80% stays at the organizer, 20% is transferred to EMF/WMF); the fee for renting the space for other also local sellers should not be less than for WMF gold sponsors.
All sellers of equipment (but not other sponsors such as banks, insurance companies, etc.) have to be official WMF sponsors for the regarding period.

Finance

Regarding payment system for participation fee at Nations Cup and European / World Championships the board decided to cash the fees from the participating nations as well as the space fees of the permanent WMF sponsors in advance and to remit the balance after deduction of EMF/WMF fees to the organizer.

Tournament fees are 650 Euro for European and World Championships, 325 Euro for Youth European and World Championships and 165 Euro for all Nations Cups.

Final contract

All essential topics are agreed in a final contract between the organizer, the national federation of the organizer and EMF/WMF.
